TMHCC Casualty Group

Project Site Auto Coverage

In our continued effort to create customized, innovative coverage solutions, the TMHCC Casualty Group is pleased to showcase our Project Site Auto Coverage, available for wrap-up and project specific policies.

Project Site Auto Features

- Protects developers and general contractors from liability associated with auto exposures on project sites
- A distinct coverage form with a separate limit of liability
- Coverage is contingent and excess of subcontractor's available auto coverage
- Verification of subcontractor's auto coverage is coordinated through the enrollment process
- Copyrighted and available exclusively through the Tokio Marine HCC Casualty Group

Not all coverages or products may be available in all jurisdictions. The description of coverage on this page is for information purposes only. Actual coverages will vary based on local law requirements and the terms and conditions of the policy issued. The information described herein does not amend, or otherwise affect, the terms and conditions of any insurance policy issued by HCC Casualty Insurance Services, Inc. In the event that a policy is inconsistent with the information described herein, the language of the policy will take precedence.
