## We Are Tokio Marine HCC

Tokio Marine HCC has been at the forefront of innovative specialty insurance products, helping companies mitigate risks in the workplace and grow with confidence and peace of mind. For over 20 years, Tokio Marine HCC has been providing our partners with unique reinsurance products and services.

Our A++ Superior rating (AM Best) is a testament to our stability in an ever-changing economic landscape. Our belief in relationships, integrity, and responsible underwriting create an ethos that is the foundation of our ability to service our clients.

## Tokio Marine HCC Reinsurance & Program Solutions

Tokio Marine HCC Reinsurance & Programs provides essential products like Cyber Liability and EPLI with a complete array of support services so carriers can differentiate and focus on their policyholders' needs. We deliver bolt-on solutions and services to carrier partners who wish to remain agile and innovative to meet the needs of their policyholders. We help our partners get to market quickly with new offerings, mitigating R&D costs, additional overhead and the assumption of risk.

- 
**NetGuard® Farm Cyber** – Addressing all privacy and data exposure facing farmowners – both personal and commercial.
- 
**Personal CyberPlus™** – Bolt-on solution to your personal lines insurance policies designed to protect identity, finances and devices for individuals and their families.
- 
**EPLI (Employment Practices Liability)** – Protects employers from claims made by employees for harassment, discrimination and more.
- 
**MEDEFENSE® Plus (Regulatory & Billing Exposures)** – Designed to attach to medical professional policies to protect regulatory fines & penalties and billing exposures (Medicare/Medicaid).

### Tokio Marine HCC Q

Our state-of-the-art online platform features tools that streamline the process and allow agents to quote and issue policies quickly and easily.

Q is designed to make the producer's job easier and more profitable. Video tutorials educate agents quickly and many of our partners use the online system to quote and issue higher limit options for their policyholders. Our reinsurance team is at the forefront of the insurance business, continually creating new products to provide protection from emerging risks.
