

NetGuard[®] SELECT

from Tokio Marine HCC- Cyber & Professional Lines Group

▲ Comprehensive Protection From Personal Cyber Threats

Protecting your family, your home and your privacy from increasing cyber threats.

While the increasing usage of computers, smart phones, and media-streaming devices have enabled you to connect to a variety of essential online services, they have also increased your vulnerabilities to cyberattacks and fraud.

In the event of a cyber security incident, you need the expertise and experience of a cyber response team to react quickly when security fails.

NetGuard® SELECT from Tokio Marine HCC - Cyber & Professional Lines Group (CPLG) is a unique and comprehensive cyber insurance policy designed to protect you and your family from emerging cyber threats including:

CYBER EXTORTION

RANSOMWARE

CYBER CRIME

ONLINE FRAUD

CYBER BULLYING

PERSONAL DATA EXPOSURE AND LOSS

▲ Insuring Your Digital Lifestyle

From online shopping and banking to social media and mobile smart home applications, your devices hold valuable information that hackers can use to steal data or money, engage in identity theft, or even gain access to your home. Are you protected if your data or devices are compromised?

▲ Complete Identity and Privacy Protection

In addition to state-of-the-art insurance coverage, NetGuard® SELECT policyholders also have access to IDX's industry-leading identity protection, fraud detection, and dark web monitoring services to fight evolving cyber risks. This comprehensive suite of risk management services includes:

- Tri-Bureau Credit Monitoring
- Dark Web CyberScan™ Monitoring
- TransUnion® Alerts for financial fraud
- VantageScore® 3.0 Credit Score Monitoring
- SocialSentry™ Social Media Privacy and Fraud Protection
- Credit Lock by TransUnion®
- Lost Wallet Coverage with ID Care Specialists
- Password Detective to verify credential compromise
- Unlimited Member Support and Expert Recovery in Identity Protection

Once you become a policyholder, simply log onto www.idx.us/tmhcc to learn more and activate these services.

▲ NetGuard® SELECT Privacy Protection

With your NetGuard® SELECT Policy you'll have access to IDX's privacy protection tools, which give you the knowledge to protect your information. In addition, you will be able to take control of your privacy and personal information with IDX's advanced tracking blocker, dark web monitoring, data removal services, safe Wi-Fi with an encrypted VPN, password protection, and more.

Bringing together the best of cyber insurance with world-class personal cyber support services, NetGuard® SELECT is designed to prevent, protect and provide expert support for you and your family.

Contact your insurance agent for further details, including how to apply for NetGuard® SELECT.
