

NetGuard® SELECT

From Tokio Marine HCC

▲ Introducing NetGuard® SELECT

Protecting your family, your home and your privacy from increasing cyber threats.

While the increasing usage of computers, smart phones, and media-streaming devices have enabled you to connect to a variety of essential online services, they have also increased your vulnerabilities to cyberattacks and fraud.

In the event of a cyber security incident, you need the expertise and experience of a cyber response team to react quickly when security fails.

NetGuard® SELECT from Tokio Marine HCC is a unique, comprehensive cyber insurance policy to protect you and your family from emerging cyber threats including:

CYBER EXTORTION

RANSOMWARE

CYBER CRIME

ONLINE FRAUD

CYBER BULLYING

PERSONAL DATA EXPOSURE AND LOSS

▲ Insuring Your Digital Lifestyle

From online shopping and banking to social media and mobile smart home applications, your devices hold valuable information that hackers can use to steal data or money, engage in identity theft, or even gain access to your home. Are you protected if your data or devices are compromised?

▲ Proactive Privacy Protection

In addition to state-of-the-art insurance coverage, NetGuard® SELECT policyholders also have access to CyberScout's industry-leading identity protection, fraud detection and dark web monitoring services to fight evolving cyber risks. This comprehensive suite of risk management services includes:

- Credit monitoring and alerts
- Dark web monitoring and alerts
- Email identity support
- System protection support
- Phish assist
- Ransomware consult services
- Household breach services
- Identity theft resolution support
- Online cyber knowledge center

CyberScoutHQ.com/NetGuardSelect

▲ NetGuard® SELECT Personal Privacy Approach

With your NetGuard® SELECT policy, you'll have access to expert advice and consultation on a range of cyber security and identity management concerns. Should you become a victim of identity theft or fraud, your Fraud Investigator at CyberScout acts as your dedicated case manager and will investigate, follow up, and escalate procedures to ensure a rapid restoration of your personal information.

Bringing together the best of cyber insurance with world-class personal cyber support services, NetGuard® SELECT is designed to prevent, protect and provide expert support for you and your family.

Contact your insurance agent for details and to apply for NetGuard® SELECT.
