Our policyholders will work with an in-house Cyber Incident Management Specialist 24/7/365				
Incidents or claims are reported to:  888.627.8995  CyberClaims @tmhcc.com	Our policyholders work with an in-house Cyber Incident Management Specialist 24/7/365 or a claims team member who makes recommendations and guides through every step of the claims process.	Policyholders are advised about the best recovery path and leading recovery experts to assist with technical expertise and support.	In the event of a breach, we recommend outside experienced counsel to advise on notification and defense during litigation.	We recommend certain controls, including risk mitigation services, to improve the insured's posture post event.
