Rapid Response and Continuous Support

When it comes to providing exceptional service and rapid expert breach response to your policyholders, Tokio Marine HCC – Cyber & Professional Lines Group's in-house Cyber Incident Management Team and experienced Cyber & Tech Claims Team give careful consideration to the needs of each insured. Our goal is to get your insured back up and running, and reach a successful resolution. How do we do it?

1 Report	2 Respond	3 Recover	4 Defend	5 Strengthen
	Our policyholders will work with an in-house Cyber Incident Management Specialist 24/7/365			
Incidents or claims are reported to: 888.627.8995 **CyberClaims @tmhcc.com**	Our policyholders work with an in-house Cyber Incident Management Specialist 24/7/365 or a claims team member who makes recommendations and guides through every step of the claims process.	Policyholders are advised about the best recovery path and leading recovery experts to assist with technical expertise and support.	In the event of a breach, we recommend outside experienced counsel to advise on notification and defense during litigation.	We recommend certain controls, including risk mitigation services, to improve the insured's posture post event.

Strength in strategy. Security in partnerships.

We've negotiated steep discounts with cyber threat prevention vendors to protect our policyholders from a cyber-attack. Insureds gain access to a curated list of service providers who offer a variety of risk mitigation services, ranging from antivirus software to penetration testing to PCI compliance review.
