FirstFire®

Firefighters and first responders face risk every day as they serve and protect their communities. Tokio Marine HCC – Public Risk Group has a long history of serving those who serve others and is proud to provide FirstFire insurance solutions for fire departments and emergency services.

Solutions

FirstFire from Tokio Marine HCC – Public Risk Group is a comprehensive offering of property and casualty insurance solutions specifically to first responders.

Our insureds benefit from our solid foundation, proven track record, and the financial strength of being part of one of the world's largest insurance companies – one with excellent industry ratings, including an AM Best rating of A++ (Superior).

Commitment

Having exclusively insured public entities since 1985, we understand the emergency response community and are uniquely qualified to provide the customized insurance coverages these organizations need.

We proudly serve not-for-profit:

- Fire/EMS departments
- Fire/EMS districts
- Search and rescue squads
- Emergency 911/dispatching districts

Service

Our dedication to serving our insureds extends far beyond our coverages.

Our risk control team of public sector professionals helps insureds reduce exposure through a wide range of consultative and online services. These include a free HR risk control hotline, 24/7 access to resources, consultations and more.

FirstFire policyholders also have access to FireRescue1 Academy training courses.

And when it comes to claims, we're here when our insureds need us most.
