Payment Information

Premium is due on the first of the month and is considered past due on the last day of the month in accordance with the policy terms. Policy is subject to termination without prior notice if premiums are not received within the policy grace period.

Supporting documentation is **required** with each payment in order to apply the funds correctly. The documentation must identify the policyholder, payment month, census, and rate information. Funds received without supporting documentation are subject to being returned to the remitter without credit to the account if the required documentation is not received within three (3) days.

Supporting documentation can be sent via **unencrypted** email to StopLossPremiumRemit@tmhcc.com. Please note this is a general email box, do not include Protected Health Information (PHI). In the subject line of the email include the remitter's name, as it would appear on the EFT, and the total amount of funds transferred. This will aid in identifying funds received via EFT and expedite payment processing.

Pre-filled billing statements with the rate information for the policy year are available upon request. Please contact your Client Account Manager for assistance.

The lockbox address is for **premium payments only**. Do not send correspondence, claims information or other documentation to the lockbox.

Please do not send payments to the Kennesaw office unless requested to do so.

Lasso Healthcare Insurance Company does not accept payments via credit cards or initiate fund transfers from client accounts.

Tokio Marine HCC – A&H Group (TMHCC) can process Claims Reimbursements via ACH providing a faster turnaround time. For additional information please send an email to LassoACHEnrollments@tmhcc.com
