Payment Information

Premium is due on the first of the month and is considered past due on the last day of the month in accordance with the policy terms. Policy is subject to termination without prior notice if premiums are not received within the policy grace period. Any notification letters are produced as a courtesy and are not required by the policy.

Supporting documentation is **required** with each payment in order to apply the funds correctly. The documentation must identify the policyholder, payment month, census, and rate information. Funds received without supporting documentation is subject to be returned to the remitter without credit to the account 3 days after receipt.

Supporting documentation can be sent via **unencrypted** email to StopLossPremiumRemit@tmhcc.com. Please note this is a general email box, do not include Personal Health Information (PHI). In the subject line of the email include the remitter's name, as it would appear on the EFT, and the total amount of funds transferred. This will aid in identifying funds received via EFT and expedites payment processing.

Pre-filled billing statements with the rate information for the policy year are available upon request. Please contact your account representative for assistance.

The lockbox address is for **premium payments only**. Clients are advised to not include signed applications, claims information or reimbursements as these items are not forwarded to the office from the bank.

Please do not send payments to the Kennesaw office unless requested to do so.

HCC Life Insurance Company does not accept payments via credit cards or initiate fund transfers from client's accounts.
