# Design & Construct - Professional Multi Risk

---

Tokio Marine HCC- Professional Risks has a comprehensive policy for Design & Construct risks covering Professional Indemnity, Employers Liability, Public Liability and Contractors All Risks.

As part of a premier company with truly global resources, we are in an unprecedented position to enhance the services we offer through a greatly expanded geographic footprint, and to reinforce the commitment that goes into everything we do. What does this mean to you? We stand ready and able to help more clients in more ways than ever before.

At Tokio Marine HCC we believe that every risk is as unique as the client who undertakes it, which is why our company is built on lines of Specialty Insurance. With concentrations of expertise that allows us to truly underwrite each risk, not merely apply a template to them.

---

We pride ourselves in providing brokers and their clients with solutions to their insurance requirements, backed by unrivalled service from offices throughout the UK. Our team of underwriters are specialists in their fields, with a wealth of underwriting experience enabling us to provide the right solutions to brokers and their clients.
