

Marine

Tokio Marine HCC, we aim to provide a market leading service to clients and their brokers utilising our highly experienced and respected team of Underwriters and Claims Adjusters.

Shipping presents many challenges to the modern operator – from construction and conversion risks, new technology to cope with environmental legislation, changing trade routes, and potentially volatile geopolitical activity. Here at Tokio Marine HCC we have a variety of products to meet these evolving needs.

Our individual service offering is well suited to the complicated, diverse and global nature of modern shipping – maintaining connections and ties with maritime experts all around the world to assist with risk management as well as loss mitigation in a timely and efficient manner.

Recognising the impact that any loss can have to an owner - at Tokio Marine HCC our experienced and dedicated Marine Claims team will strive to work proactively with our clients to ensure that at a time of claim their needs are fully met.

Our Appetite

- Tugs to LNG Tankers
- Fishing Vessels to Super-Yachts
- Regional or world-wide trading
- Owners / Operators / Financiers
- First and Third Party Risks
