Compliance Endorsement

In the event that there is any conflict between the terms and conditions of Section 1 of this Policy and those of the Approved Professional Indemnity Wording contained in any Prospectus for Approved Insurers or similar document issued by the **Insured's** relevant governing professional body then, up to any minimum limit of indemnity required to be provided by the **Insured's** relevant governing professional body (the "minimum limit of indemnity"), those contained in the Approved Professional Indemnity Wording shall take precedence over any terms and conditions contained in this Policy which are less favourable to the **Insured**. For the avoidance of doubt the terms and conditions of this Policy shall prevail over any contained in the Approved Wording in respect of any liability upon the **Insurers** to indemnify the **Insured** in respect of any amount in excess of the minimum limit of indemnity.

All other terms and conditions of this Policy remain unaltered.
