Continuous Policy Clause

Definitions

For the purposes of this Clause:

Proposal

Shall mean the proposal and / or any declaration together with any other information supplied by the **Insured** to the **Insurer** before inception, at renewal or at any other time during the **Period of insurance** and which has been relied upon by **Insurers**.

For the avoidance of doubt, any cancellation or similar provision within any **Section** of this Policy is unaffected by this Continuous Policy Clause.

The following is added to the General Condition:

Material changes

The **Insured** must notify the **Insurer** promptly of any material change to the information contained within the **Proposal**. Without prejudice to the generality of that obligation, the **Insured** must notify the **Insurer** in the event that the annual turnover / fees of the **Insured** exceeds the amount stated in the Continuous Policy Acceptance form.

All other terms and conditions of this Policy remain unaltered.
