Policy Conditions

1. What is covered

1.1 Following Your proposal and in consideration of the Premium We will pay You the Insured Percentage of Insured Debts less any applicable deductibles up to the Maximum Liability in the event of:

- Insolvency
- Protracted Default

2. How You obtain cover

2.1 You must obtain from Us a Credit Limit for each of Your customers who will have Goods Delivered or Services Provided by You during the Policy Period. We will issue a Credit Limit Notification advising You of a written Credit Limit.

2.2 You may set discretionary Credit Limits up to the level stated in the Insurance Schedule.

You must use information less than 12 months old that is updated at least every 12 months which can include status reports, good trading history or two written trade references from trade suppliers. You must consider all known information in making Your decision. Following a Notifiable Serious Event You must obtain new information that postdates the Notifiable Serious Event to support continued trading under the Discretionary Credit Limit or obtain a written Credit Limit from Us.

Where We issue a nil Credit Limit and do not permit the use of the discretionary Credit Limit in relation to the Buyer, We will communicate this on the Credit Limit Notification and a reason code of "NODL" will apply.

2.3 We may withdraw or reduce any written Credit Limit given under this Policy at any time by Credit Limit Notification which will take immediate effect unless the Credit Limit relates to a Bound Contract. All Insured Debts up to the date of the Credit Limit Notification continue to be covered.

2.4 Where a written Credit Limit is withdrawn or reduced Your cover on a Bound Contract is extended by the period stated in the Insurance Schedule from the date the Credit Limit is withdrawn. Where the Policy Period ends before the Bound Contract period, the remaining Bound Contract period will be recognised under Your next Policy with Us if You renew at the end of this one.

3. What is not covered

3.1 We do not cover debts:

- that exceed a Credit Limit
- established after a Credit Limit is withdrawn unless cover is extended on a Bound Contract
- where the terms of payment exceed 4 months from delivery of goods or services
- established after Insolvency
- established after Protracted Default or Notifiable Serious Event unless established after the account is brought back within terms and the adverse event is resolved
- that relate to delivery of goods or services after Your On Stop Date
- established prior to the effect date of a Credit Limit
- where the invoice is not raised within 1 month of delivery of goods or services
- that are Disputed Debts

3.2 We do not cover Pre-Delivery Costs more than the period stated in the Insurance Schedule prior to the Agreed Delivery Date.

3.3 Standard Exclusions are not covered as they are outside the scope of this Policy.

4. Your Obligations

4.1 You must comply with the Policy Conditions.

4.2 You must pay Premium when it is due. Where We have agreed to accept payment of Premium by instalments each instalment must be paid by its due date. If an event of Insolvency or Protracted Default occurs when Premium is unpaid by its due date We will not be liable for claims arising from those events.

4.3 You must act as a prudent uninsured in granting credit to a Buyer. You should not materially vary Your credit control procedures or change Your terms of payment from those used at the time of making Your Proposal unless with Our written agreement. This clause is a condition precedent to Your right to claim.

4.4 Unless We agree otherwise in writing, You must raise invoices within 1 month of Goods Delivered or Services Provided.

- 4.5 You must advise Us immediately in writing if You become aware of Insolvency, Protracted Default or a Notifiable Serious Event in relation to a Buyer and where legally or contractually or commercially possible stop further supplies of goods and provision of services to that Buyer. This clause is a condition precedent to Your right to claim.

Where the Buyer has failed to pay Queried Invoices these shall not be deemed to be a Notifiable Serious Event and You are not expected to stop delivering goods or supplying services unless other debts remain unpaid by the On Stop Date and/or another Notifiable Serious Event occurs.

- 4.6 You must take all reasonable steps to mitigate any loss. If required You will execute any documentation or do anything necessary to enable Us to be directly involved in the recovery of an Insured Debt.
- 4.7 You must enter into a Service Agreement with HCCI Credit Services Ltd. for the supply and maintenance of information.
- 4.8 You must declare Your Whole Turnover to Us in the Primary Currency on the form supplied within 3 months of the end of the Policy Period. Where the Whole Turnover declared multiplied by the Rate stated in the Insurance Schedule exceeds the Minimum Premium, an adjustment premium will be payable by You. If You fail to declare Your Whole Turnover We reserve the right to estimate it and calculate the adjustment premium.

5. Claims and Salvages

- 5.1 When You notify Us of an event of Insolvency or Protracted Default You must tell us the amount of Insured Debt and within 6 months of the Insolvency or Protracted Default:
- submit the claim on the form supplied by Us or via the online portal together with all supporting documentation
 - where the loss is caused by Insolvency and the Insured Debt is less than 25% of Your annual Premium and less than £25,000 You may self-certify the claim using the self-certification form supplied by Us. This option cannot be used where You are claiming for Pre-Delivery Costs

You must submit any further information requested by Us within 6 months of the request.

- 5.2 As part of Our internal audit requirements, We may carry out random reviews of self-certified claims and You agree to co-operate with Us and supply any further information or records required by Us. We may withdraw the right to self-certify claims at Our discretion.

 - where You self-certify within 1 working day of Our receipt of Your completed self-certification form

- within 3 months of the due date for payment of the Insured Debt if court proceedings have been issued or the Buyer's members pass a resolution to wind up the company voluntarily
 - within 3 months of the due date for payment of the Insured Debt when passed to Our recommended debt collection agency
 - within 6 months of the due date for payment of the Insured Debt when passed to a debt collection agency other than the one We recommend
 - within 7 days of Our receipt of Your completed claim form and supporting documentation for claims arising from a moratorium
- 5.5 You must submit claims in the Primary Currency and convert export Insured Debts to the Primary Currency at the exchange rate applicable on the date the Insured Debt fell due.
- 5.6 Any Salvage received prior to an event of Insolvency or Protracted Default will be allocated to the outstanding debt in chronological order based on invoice dates. Any Salvage received after an event of Insolvency or Protracted Default will be shared between You and Us in the same proportion in which the loss is borne by You and Us. You must notify Us immediately of the receipt of any Salvage and any Salvage shall be held by You in trust for Us.
- 5.7 You may assign payment of Your approved claims to Your bank or financier by written notice to Us.

6. General Conditions

- 6.1 You have made a presentation of the risk to Us before this credit insurance contract was entered into. We use the information contained in Your presentation of the risk to decide whether to accept the risk and, if so, on what terms. If You have not made a fair presentation of the risk to Us, remedies are available to Us under the Insurance Act 2015.

6.10 You must not obtain insurance from any other insurer for any customer or Buyer or exclude any customer or Buyer from this Policy even if You have a nil Credit Limit from Us without Our prior consent.
